

PRODUCE GOOD

Grocery Gleaning

WHO WE ARE?

ProduceGood is a 501(c)(3) nonprofit organization with four food rescue programs. We divert and up-cycle edible fruits and vegetables from the landfill by partnering with over 80 local feeding agencies throughout San Diego county.

WHAT WE DO?

ProduceGood does food rescue at local grocers, farmers markets and backyard orchards to feed the 1 in 4 food insecure San Diegans. Since our inception in 2014 we've recovered over 1.6 million pounds of nutritious produce.

SB 1383

California State Senate Bill 1383 (SB 1383), requires the reduction of organic waste disposed of in landfills. Our grocery gleaning program is a great solution for grocers to be in compliance.

OUR IMPACT

In 2023 we diverted over 1 million servings of produce from local grocers, backyard orchards and farmers markets to San Diego feeding agencies.
